CERTIFICATIONS

- **C/ C++** | Disha Computer Institute, Kolhapur (JAN'21)
- **AI with Python** | Fuel Institute, Pune

PROJECTS

- **INVENTORY MANAGEMENT SYSTEM | (AUG'23)**
 - Developed an Inventory management system for a tile shop using **Asp.net, MS Access Database, Optimizing Stock levels** and **tracking sales data**. implemented features for real time inventory updates, purchase order generation and sales reporting, resulting in improved operational efficiency and inventory accuracy
- **PMPML BUS PASS BOOKING SYSTEM | (DEC'23)**
 - Designed and implemented a comprehensive **Bus Pass Booking System** using **HTML, CSS, JavaScript**, and **Java** for the front-end and back-end functionality.
 - Integrated a **MySQL database** to manage user data, bus schedules, and booking information efficiently

- **CAMPUS PLACEMENT MANAGEMENT SYSTEM | (MAY'24)**

- Created a Campus Placement Management System leveraging **HTML, CSS, JavaScript**, and **Java** for an interactive and dynamic user interface.
- Utilized a **MySQL database** to manage student, recruiter, and placement data effectively.

- **WOMEN SAFETY APPLICATION | (DEC'24)**

- Designed and developed a Women Safety Application using **Android** to provide quick access to emergency services and enhance personal security.
- Integrated features such as **SOS alerts, real-time location sharing**, and a **panic button** for immediate assistance.

DESCRIPTION

Enthusiastic and self-motivated **fresher** with a strong foundation in software development and programming. Proficient in technologies like **HTML, CSS, JavaScript, Java, MySQL**, and **Android**, with hands-on experience in developing projects such as a **Bus Pass Booking System**, **Campus Placement Management System**, and a **Women Safety Application**. Quick learner with a passion for problem-solving and creating efficient, user-friendly solutions. Looking to begin a career in a dynamic organization where I can apply my technical skills and contribute to impactful projects while growing professionally.
